

eCommunication Policy

Electronic messages, including electronic mail (e-mail) may contain confidential information intended solely for the individuals named in communications. If you are not the intended recipient you should not disseminate, distribute or copy the contents of electronic and e-mail messages. If you have received electronic messages or communications by mistake, please notify the sender immediately and permanently destroy both the message and its contents. The security, reliability of delivery and integrity of e-mail and electronic communication transmission cannot be guaranteed as information could be modified in transit or may contain viruses. Any views or opinions presented in e-mails and electronic communications are solely those of the author and do not necessarily represent those of the Ministry to the extent permitted by law, the Ministry will not accept any liability arising from electronic communication.
